**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE WITH REQUIREMENTS  
 APPLICABLE TO EACH MAJOR PROGRAM AND INTERNAL CONTROL  
 OVER COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133**

To the Advisory Board of the  
**FRANKLIN REGIONAL TRANSIT AUTHORITY**  
 474 Main Street  
 Greenfield, MA 01301-3366

**Compliance**

We have audited Franklin Regional Transit Authority's, a component unit of the Commonwealth of Massachusetts, compliance with the types of compliance requirements described in the U. S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement that are applicable to each of its major federal programs for the year ended June 30, 2010. Franklin Regional Transit Authority's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements referred to above is the responsibility of Franklin Regional Transit Authority's management. Our responsibility is to express an opinion on Franklin Regional Transit Authority's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and OMB Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program identified in the accompanying schedule of findings and questioned costs occurred. An audit includes examining, on a test basis, evidence about Franklin Regional Transit Authority's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on Franklin Regional Transit Authority's compliance with those requirements.

In our opinion, Franklin Regional Transit Authority complied, in all material respects, with the compliance requirements referred to above that are applicable to each of its major federal programs identified in the accompanying schedule of findings and questioned costs for the year ended June 30, 2010.

### **Internal Control Over Compliance**

Management of Franklin Regional Transit Authority is responsible for establishing and maintaining effective internal control over compliance with the compliance requirements referred to above. In planning and performing our audit, we considered Franklin Regional Transit Authority's internal control over compliance with the requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance, and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Franklin Regional Transit Authority's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be deficiencies, significant deficiencies, or material weaknesses in internal control over compliance. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above.

### **Schedule of Expenditures of Federal Awards**

We have audited the financial statements of Franklin Regional Transit Authority as of and for the year ended June 30, 2010, and have issued our report thereon dated August 26, 2010. Our audit was performed for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by OMB Circular A-133 and is not a required part of the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the financial statements taken as a whole.

This report is intended solely for the information and use of management, Advisory Board, federal awarding agencies, and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE  
 AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN  
 ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

To the Advisory Board of the  
**FRANKLIN REGIONAL TRANSIT AUTHORITY**  
 474 Main Street  
 Greenfield, MA 01301-3366

We have audited the financial statements of Franklin Regional Transit Authority, a component unit of the Commonwealth of Massachusetts, as of and for the year ended June 30, 2010, and have issued our report thereon dated August 26, 2010. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States.

**Internal Control Over Financial Reporting**

In planning and performing our audit, we considered Franklin Regional Transit Authority's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Franklin Regional Transit Authority's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of Franklin Regional Transit Authority's internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph and was not designed to identify all deficiencies in internal control over financial reporting that might be significant deficiencies or material weaknesses and therefore, there can be no assurance that all deficiencies, significant deficiencies, or material weaknesses have been identified. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses or significant deficiencies as defined above.

**Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Franklin Regional Transit Authority's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

We noted certain other matters that we reported to management of Franklin Regional Transit Authority in a separate letter dated August 26, 2010.

This report is intended solely for the information and use of management, Advisory Board, and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

Total Expenditures of Federal Awards			<u>\$ 3,541,536</u>

**FRANKLIN REGIONAL TRANSIT AUTHORITY**

**NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS**

**June 30, 2010**

**NOTE 1 - BASIS OF PRESENTATION**

The accompanying schedule of Expenditures of Federal Awards includes the federal grant activity of the Franklin Regional Transit Authority and is presented on the accrual basis of accounting. Federal assistance awards are deemed to be earned and reported as revenue when the Authority has incurred expenditures in compliance with the specific restrictions. Amounts received but not yet earned are reported as deferred revenues. The information in this schedule is presented in accordance with the requirements of OMB Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations.

**FRANKLIN REGIONAL TRANSIT AUTHORITY**
